

## Who are we?

Hysteria Teatar is a Galway-based company dedicated to exploring innovative, experimental, and multidisciplinary works that resonate with contemporary audiences. Committed to delivering dynamic theatrical experiences to Galway, the company seeks to shake up the local theatre scene. HystERIA Teatar provides a space for emerging artists to push boundaries, ignite joy, and delve into the human experience. By bridging the gap between amateur and professional opportunities, we provide emerging artists a platform to test their ideas and gain valuable experience.

# TAXI!

Step into the life of Matthew, a taxi driver navigating more than just the bustling streets of the city. Through candid encounters with passengers - a mother juggling single parenthood, an estranged lover, and many others - Taxi! Dives right into themes of identity, fate, family and the invisible threads that connect us all. This gripping psychological drama explores how fleeting connections can leave lasting marks. From awkward small talk to deeply touching conversations, this play captures the bittersweet reality of human connection. Yet, as these encounters unravel, Matthew's own struggles come to light, revealing a haunting past that weighs heavily on his mind.

Whether you've ever poured your heart out to a stranger or shared a quiet moment of understanding, Taxi! will resonate deeply. Buckle up for a theatrical ride you won't forget!
